Comments:

Summary: Charlotte Water currently does not have water/sewer system accessible for the rezoning boundary under review. The development will need to donate pipeline infrastructure to CLTWATER to serve this parcel. The applicant should contact Charlotte Water's New Services at (704) 432-2854 for more information regarding access to water system connections.

Charlotte Water currently does not have water system accessible for the rezoning boundary under review. The closest water distribution main is approximately 600 feet northeast of the rezoning boundary at the intersection of Arthur Davis Road and Independence Hill Road. A developer donated project will be required in cases there is not direct service. The applicant should contact Charlotte Water's New Services at (704) 432-2854 for more information regarding access to water system connections.

Charlotte Water currently does not have sewer system accessible for the rezoning boundary under review. The closest available sewer main is approximately 400 feet west of the rezoning boundary across Old Statesville Road. A developer donated project will be required in cases there is not direct service. The applicant should contact Charlotte Water's New Services at (704) 432-2854 for more information regarding accessibility to sewer system connections.

Development is encouraged to contact Installation Development Services at (704) 336-5499 to review service connection design requirements and City Ordinances (e.g., backflow, separate meter Ordinance, public/private pipeline extensions). Comments: Submit application to the Capacity Assurance Program. If a public road is proposed, extension of public water/sewer will be required as a part of a donated project. Send plans to Charlotte Water for private water permitting (if applicable). Send plans to NCDEQ Mooresville Regional Office (704) 663-1699 for private sewer permitting (if applicable).

Reservation of sanitary sewer system capacity through the Charlotte Water's Capacity Assurance Program is the responsibility of the customer/development. Contact the New Services Group at (704) 432-2854 for further information on reserving capacity up to 24 months.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. The findings do not imply available capacity in water and sanitary sewer lines, pump stations, or treatment facilities. Reservation of capacity is achieved through the Charlotte Water's Capacity Assurance Program.
