**ZONING COMMITTEE
ACTION/ STATEMENT
OF CONSISTENCY**

The Zoning Committee voted 7-0 to recommend APPROVAL of this petition and adopt the consistency statement as follows:

This petition is found to be consistent with the *Northeast Area Plan*, based on the information from the staff analysis and the public hearing and because:

- The plan recommends residential up to eight units per acre for this site.

Therefore, we find this petition to be reasonable and in the public interest based on information from the staff analysis and the public hearing and because:

- The proposed multi-family residential development will provide a mix of housing in the area; and
- The site is located north of the Interstate 85 and 485 interchanges, just south of the Concord Mills activity node in Cabarrus County; and
- The proposed site plan is providing two public streets as per Subdivision Ordinance requirements as development occurs, resulting in improved connectivity in the area.
