

PLAN REVIEW SHEET

Date: March 25, 2019

Petition #: 2019-024

Staff Contact: John Howard

The petitioner is requesting an expansion of the parking area on the adjacent CATS facility, a driveway connection rail trail improvements and screening of the signal box. CATS is requesting the addition of one tree in the middle parking row and improvement of the Rail Trail per design standards. Parking spaces for CATS employees shall be identified with signs and allowable times for public parking.
