**Comments:**

Summary: Water and sewer service is accessible for this rezoning boundary.

Charlotte Water has accessible water system infrastructure for the rezoning boundary via an existing 12-inch water distribution main located along Rocky River Road, and via an existing 6-inch water distribution main located along Newell Farm Road.

Charlotte Water has sanitary sewer system infrastructure accessible for the rezoning boundary via an existing 8-inch gravity sewer main located along Rocky River Road.

Development is encouraged to contact Installation Development Services at (704) 336-5499 to review service connection design requirements and City Ordinances (e.g., backflow, separate meter Ordinance, public/private pipeline extensions). Comments: Submit application to the Capacity Assurance Program. Has direct access to water/sewer. Contact our New Services Department for water/sewer services. Submit abandonment plans to Donated Projects for existing sewer/water along Newell Farm Road. Submit plans for extending public infrastructure along new public roads to Donated Projects. Submit private water plans to Charlotte Water (if applicable). Submit private sewer plans to NCDEQ Mooresville Regional Office (704) 663-1699 (if applicable).

Reservation of sanitary sewer system capacity through the Charlotte Water’s Capacity Assurance Program is the responsibility of the customer/development. Contact the New Services Group at (704) 432-2854 for further information on reserving capacity up to 24 months.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. The findings do not imply available capacity in water and sanitary sewer lines, pump stations, or treatment facilities. Reservation of capacity is achieved through the Charlotte Water’s Capacity Assurance Program.
