Transit Oriented Development

Update to Zoning Ordinance Transit Oriented Development (TOD) Districts

Public Kick-off Meeting
Charlotte Trolley Museum
June 12, 2014

Charlotte's TOD Zoning Regulations

**CREATING THE CITY
WE ALL IMAGINE.**
Transit Oriented Development

- **Purpose**

- Create a compact, high-intensity mix of residential office, retail, institutional, and civic uses
- Emphasize pedestrian circulation and transit access
- Ensure compact urban growth, transportation choices, safe and pleasant pedestrian environment, attractive streetscape

- **Location**

- Property must be within 1/2 mile of a transit station or covered by a transit station area plan

Current TOD Regulations: Districts Established

- **Residentially Oriented (TOD-R)**
 - Primarily high-density residential, with supporting limited nonresidential (retail, restaurant, civic, etc.)
- **Employment Oriented (TOD-E)**
 - Primarily high-intensity office uses (minimum 60% of new development), plus supporting residential

Current TOD Regulations: Districts Established

- **Mixed-Use Oriented (TOD-M)**
 - Blend of high-density residential, high-intensity employment/office, civic entertainment, and institutional, plus limited retail
- **TOD Optional Districts**
 - TOD standards are guidelines, but may be modified (except use lists)

Current TOD Regulations: Applicability and Exceptions

- **Standards apply to all new development, plus**
- **Some exceptions for redevelopment:**
 - Change of use (non-residential to non-residential, or residential to non-residential) with no expansion
 - Expansion of less than 5% of building area or 1000 sf (whichever is less), for both conforming & nonconforming uses
 - Creation or expansion of outdoor seating
 - Major façade improvements to existing buildings
 - Additional parking for existing development

Current TOD Regulations: Uses Allowed

Uses Allowed By Right (sample)

- **Building Entrances and Orientation**
- **Structured Parking Facilities**
- **Canopies**
- **Signs, Banners, Flags, and Pennants**

Current TOD Regulations: Urban Design Standards

- Streetscape Standards

- **Administrative Approval**
 - To offer flexibility, Planning Director may approve changes of any development or urban design standard
 - 5% of quantitative standards
- **No Development/Design Variances**
 - Board of Adjustment has no jurisdiction to grant variances from development or urban design standards
- **Urban Design Review Required**
 - During conceptual design process
 - During design development stage

Why Update the TOD District Regulations?

**CREATING THE CITY
WE ALL IMAGINE.**
Transit Oriented Development

Common Reasons to Update

- **Improve quality of development**
 - Lineup of districts
 - Permitted uses
 - Development standards
- **Revise burdensome procedures**
- **Make the code more user-friendly**
 - Improved organization and formatting
 - Additional graphics

The screenshot shows the Charlotte-Mecklenburg Planning website. The header includes the logo and navigation tabs: About Us, Annexation, Area & Capital Planning, Historic Districts, Mapping & Demographics, Subdivision, Zoning, and Transportation. The main content area is titled "Transit Oriented Development" and features a circular logo with a city skyline and the text "CHARLOTTE PLANNING". To the right of the logo is the slogan "CREATING THE CITY WE ALL IMAGINE. Transit Oriented Development". Below the logo, a paragraph states: "The Charlotte-Mecklenburg Planning Department is initiating an effort to update the zoning districts for Transit Oriented Development (TOD)." This is followed by a bulleted list of goals: "Review zoning regulations for Transit Oriented Development", "Discuss what's working and what's not with current standards", and "Find out how you can be involved in shaping the character and quality of future transit oriented development." At the bottom, it lists "Transit Oriented Development Revisions" and "June 12th Kick Off Meeting" on Thursday, June 12, 2014, from 6:30-8:00.
