City of Charlotte Enhanced Review and Expedited Plat Review Brainstorming Session Invitation

City Council has approved an Enhanced Plan Review Program for Subdivisions, Urbans and an Expedited Program for Plats. For Subdivision and Urban submittals, the fee would be an additional \$30,000 on top of all of the pertinent fees for the project. For Plats, the fee would be an additional \$1,000 on top of all of the pertinent fees for the project. At this session, we want your input into these questions:

- For Subdivisions and Urbans, if you were to pay the additional \$30,000, what would the Enhanced Review program look like? (time, which agencies would review, etc.)
- For Plats, if you were to pay the additional \$1,000, what would the Expedited Plat Review program look like?

The canvas is blank and we are seeking your input into the design of the Enhanced Plan Review and the Expedited Plat Review Programs!

A wooden easel with a white canvas. The canvas contains the following text:

When: Friday, August 24, 2018
Where: Charlotte Mecklenburg
Government Center, 600 E. 4th Street.
8th floor Planning's Innovation Station
Time: 9:00am to 10:00am

We will validate your parking if you park in the garage at E. 4th and Davidson

If you are unable to attend, please feel free to send your ideas, suggestions or recommendations to Nan Peterson at npeterson@charlottenc.gov
