AGENDA

CASE NO. 11-008 – Application has been made by David Springer (Represented by Walter Fields) *for property located at 2337 Croydon Road, Tax Parcel Number 151-137-11*, requesting a 13 foot variance from the required 45 foot minimum rear yard to allow for the construction of a room addition to the existing house. **Code Section 2.201** defines a required rear yard as the minimum distance required by this ordinance between the rear of a principal building or structure and the lot line farthest from the street fronting the lot as measured parallel to the rear lot line, projected to the side lines of the lot on which the building or structure is located. A principal building is a building or structure containing the primary use of the lot. A structure is defined as anything constructed, installed, or portable, the use of which requires a location on a parcel of land. This includes a fixed or movable building which can be used for residential, business, commercial, agricultural, or office purposes, either temporarily or permanently. “Structure” also includes, but is not limited to, swimming pools, tennis courts, signs, cisterns, sewage treatment plants, sheds, docks, mooring areas, and other accessory construction. **Code Section 9.205(g)** requires a 45 foot rear yard in an R-3 zoned district.

CASE NO. 11-012 – Application has been made by James R. and Gwendolyn Miller *for property located at 8812 Nations Ford Road, Tax Parcel Number 167-209-25*, requesting three (3) variances: (1) a 3 foot variance to allow a fence located in the setback to be erected to a height of 8 feet, (2) a 3 foot 3 inch variance to allow a fence to be erected to a height of 9 feet 3 inches in the required side yard and (3) a 4 foot variance to allow the fence post to be above the maximum height. **Code Section 12.406 (1)** states that no fence or wall located in the required setback shall be built to a height greater than 5 feet above grade, unless it is a part of a zero lot line subdivision, then it may be 6 feet. **Code Section 12.406 (2)** states that no fence or wall located in the required side yard between the required setback and established rear yard shall be built to a height greater than 6 feet above grade. **Code Section 12.406 (5)** states that the capital of a fence post or column may extend up to 2 feet above the maximum height limit.

CASE NO. 11-013 – Application has been made by Charles Thrift, Stancill Real Estate Group, LLC (Represented by John Carmichael) *for property located at 815 Providence Road, Tax Parcel Number 155-063-04*, requesting a variance of seven (7) parking spaces to allow a use of a restaurant on the site. **Code Section 2.201** defines a parking lot as an area not within a building designed and used for the storage of motor vehicles. **Code Section 12.202(1)** states that each use in a parcel shall be provided with at least the number of off-street motor vehicular parking spaces indicated for that use in Table 12.202. **Code Table 12.202** states that a restaurant is a permitted use with a requirement of 1 space per 75 square feet.
