- Mobile Food Unit Operating Permit** (Mecklenburg County Health Department): One \$150 permit per vendor, obtained by vendor, to operate in the county per health code

Mobile Food Vendor Locations

- MFVs shall not be located in any required setback, yard, sight distance triangle, or required buffer, and shall not block driveways or other access to buildings.
- Location of a MFV use on a site with an approved conditional site plan is permitted if the approved site plan does not specifically prohibit MFVs.
- Properties hosting 4 or more MFVs shall abut a major or minor thoroughfare, collector or non-residential local street.
- Minimum 100' separation to a residential use (single family, duplex, triplex or quadraplex only) when located in a single family zoning district; minimum 400' between 11 p.m. and 7 a.m. Distance is shortest distance between nearest MFV and residential property line.
- MFVs shall not be within 50' of any Eating, Drinking and Entertainment Establishment (EDEE) serving food **unless**:
 - MFV and EDEE have same ownership
 - MFV has written permission from EDEE for operation within 50'.

Operating Requirements

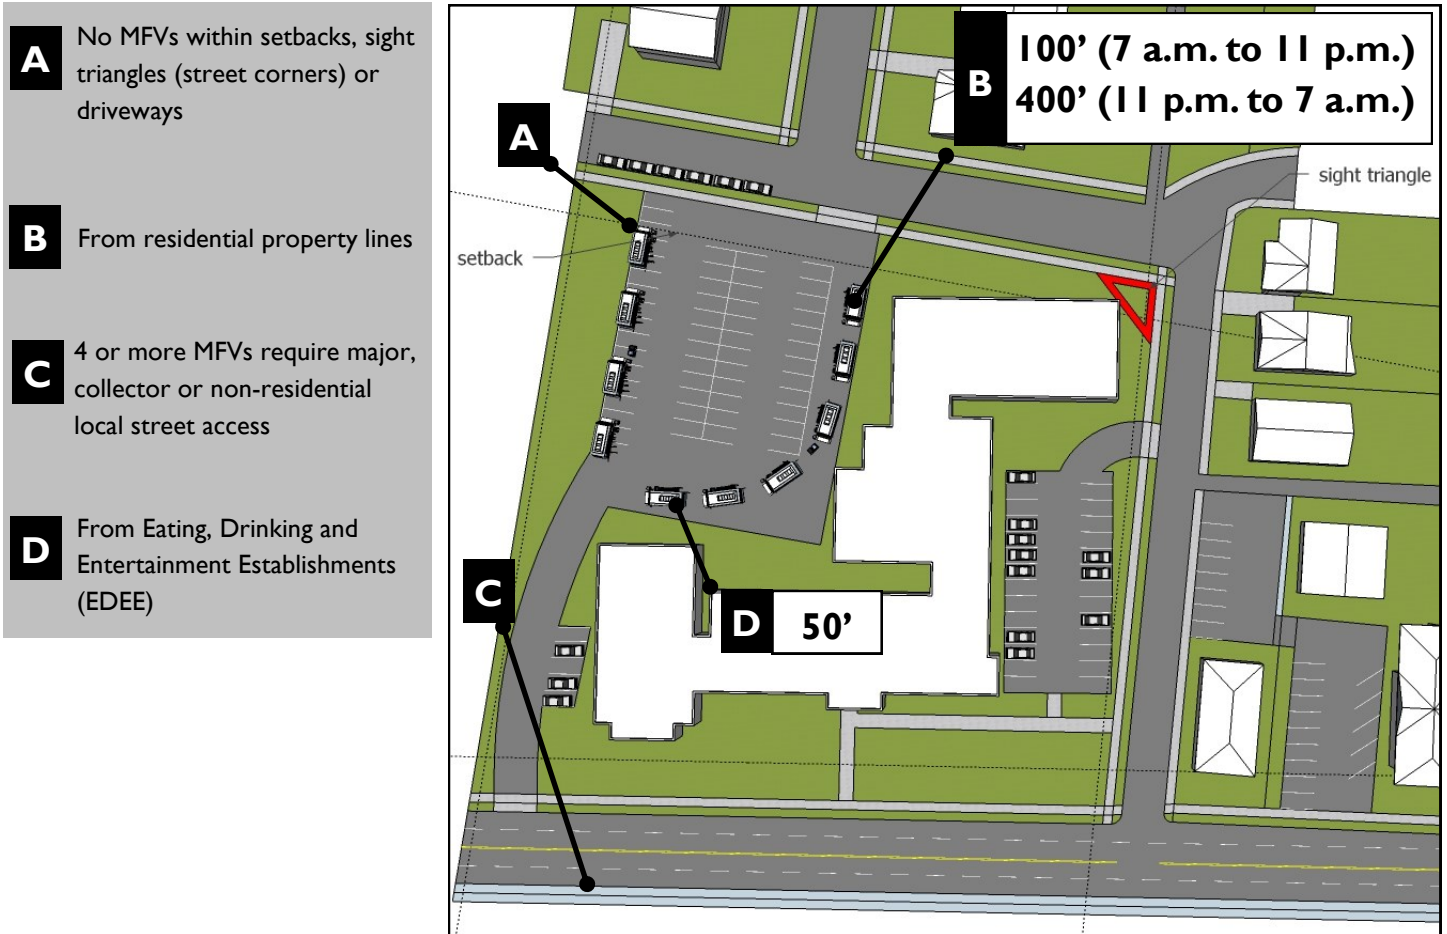

- **Hours of Operation:** No restrictions.*
- **Waste Disposal:** Trash receptacles must be provided by the property owner or designee for customers to dispose of food wrappers, utensils, etc. The property owner or designee is responsible for removing all trash, litter, and refuse from the site at the end of each business day.
- **Parking:** As an accessory use, MFVs shall not locate in any minimum required parking spaces for the principal use, unless parking is provided within the allowed distance from the site per the zoning district (typically 400-800'). Customer parking is required as follows in table *Parking Requirements* (upper right):

Parking Requirements
