

University City Area Plan

LYNX Blue Line Extension

Transit Station Area Plans Update

for

University City Boulevard Station
McCullough Station
JW Clay Boulevard/UNC Charlotte Station

DRAFT

Prepared by:
City of Charlotte
November 21, 2014

Table of Contents

Volume 1: Introduction 1

Plan Context	2
Purpose	2
Plan Boundaries	2
Background	4
Growth Framework	4
The Light Rail Transit (LRT) Line	5
Plan Development & Adoption Process	6
Plan Organization	6
Plan Structure	7
Glossary of frequently used terms	11

Volume 2: Concept Plan 13

Plan Vision and Goals	14
Community Development Policies	20
<u>Character Area 1:</u> University City Blvd Transit Station Area	21
Policy Area 1a	22
Policy Area 1b	25
Policy Area 1c	28
Character Area 2: Regional Services Area South	30
Policy Area 2a	31
Policy Area 2b	33
Policy Area 2c	35
Policy Area 2d	37
<u>Character Area 3:</u> McCullough Transit Station Area	40
Policy Area 3	41
Character Area 4: Corridor Services Area South	44
Policy Area 4a	45
Policy Area 4b	47

List of Visuals:

Volume 1: Introduction

Map 1: Plan Area Boundaries	3
-----------------------------	---

Plan Structure page 7
is organized by the following:

- Volume 1: *Introduction*
- Volume 2: *Concept Plan*
- Volume 3: *Implementation Guide*
- Volume 4: *Adopted Plans & Policies*
- Volume 5: *Appendix*

Volume 2: Concept Plan

Plan Vision and Goals Maps

Map 2: Character Area Map	15
Map 3: Policy Area Map	16
Map 4: Recommended Future Land Use Map	17
Map 5: Future Transportation Network Map	18
Map 6: Public Facilities and Environmental Features Map	19

NOTE:

Community Development Policies

*Character Area 1 - Character Area 11
and their accompanying pages for
each policy area contain detailed maps
that are specific to their location.*

Volume 2: Concept Plan continued

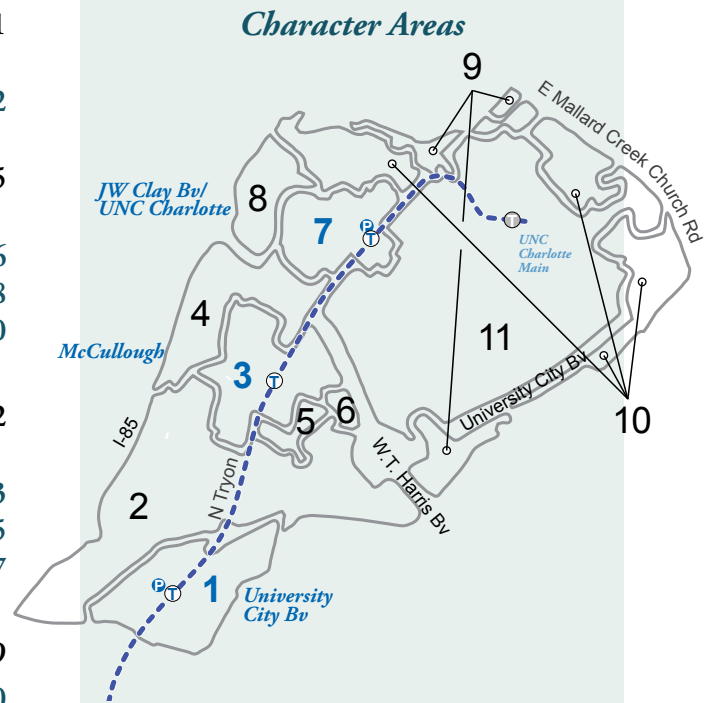

Character Area 5: <i>Primarily Residential (Hampton Park)</i>	49
Policy Area 5	50
Character Area 6: <i>Institutional/Utility</i>	53
Policy Area 6	54
Character Area 7: <i>JW Clay Blvd/ UNC Charlotte Transit Station Area</i>	55
Policy Area 7a	56
Policy Area 7b	59
Character Area 8: <i>Regional Services Area North</i>	61
Policy Area 8	62
Character Area 9: <i>Corridor Services Area North</i>	65
Policy Area 9a	66
Policy Area 9b	68
Policy Area 9c	70
Character Area 10: <i>Primarily Residential</i>	72
Policy Area 10a	73
Policy Area 10b	75
Policy Area 10c	77
Character Area 11: <i>Institutional</i>	79
Policy Area 11a	80
Policy Area 11b	82

List of Visuals:

NOTE:

Community Development Policies

Character Area 1 - Character Area 11 and their accompanying pages for each policy area contain detailed maps that are specific to their location.

Volume 2: Concept Plan continued

Transportation Policies	84
Transportation Network Policies	84
Street Cross-Sections	89
Infrastructure and Public Facilities Policies	101
Public Facilities/Infrastructure Policies	101
Parks, Greenways and Recreational Facilities Policies	102
Northeast Corridor Infrastructure Program (NECI)	102
Natural Environment Policies	103
Environmental Policies	103

Volume 3: Implementation Guide... 105

Introduction	106
Public Sector Responsibilities	106
Private Sector Responsibilities	106
Implementation Strategies	107
N. Tryon St. Corridor	115

Volume 4: Adopted Plans 121 and Policies

Policies in Place to Guide Development	122
Adopted Plans and Policies	122
Centers, Corridors and Wedges Growth Framework	
General Development Policies (GDP)	
Transportation Action Plan	
2040 Metropolitan Transportation Plan	
Transit Station Area Joint Development Principles & Policies	
Greenway Master Plan	
Urban Street Design Guidelines (USDG)	
Transit Station Area Principles	

List of Visuals:

Volume 2: Concept Plan

<i>Map 7: Future Transportation Network Map</i>	85
<i>Map 8: South Area Cross-Section Locations</i>	90
<i>Cross-Sections (South of W.T. Harris Boulevard)</i>	
Avenues	91
Boulevards	93
Parkways	94
Local Streets	95
<i>Map 9: North Area Cross-Section Locations</i>	96
<i>Cross-Sections (North of W.T. Harris Boulevard)</i>	
Avenues	97
Boulevards	98
Parkways	99
Main Streets	100

Volume 3: Implementation Guide

<i>N. Tryon St. Corridor Graphics</i>	115
---------------------------------------	-----

North Tryon Street Corridor Graphics

Graphic A	116
<i>no retaining wall, with utility easement, outside a transit station area</i>	
Graphic B	117
<i>with large retaining wall, no utility easement, within a transit station area</i>	
Graphic C	118
<i>no retaining wall, with utility easement, outside of a transit station area</i>	
Graphic D	119
<i>with retaining wall, with utility easement, within a transit station area</i>	
Graphic E	120
<i>no retaining wall, with utility easement, with wide right of way, within a transit station area</i>	

Volume 4: Adopted Plans & Policies

<i>Map 10: 2030 Transit System Plan</i>	128
---	-----

Volume 5: Appendix 129 (existing conditions)

Introduction	129
Demographics	130
Total Population and Employment	130
Environment	132
Natural Environment/Features Along Blue Line Extension Corridor	132
Historic Area/Properties	134
Land Use and Design	137
Existing Land Use/Design/Character	137
Adopted Future Land Use	143
Existing Neighborhoods	144
Development Activity/Potential Opportunities	145
Mobility	151
Street Network for University City Stations	151
Public Transportation	154
Bikeways and Major Pedestrian Ways	156
Infrastructure and Public Facilities	157
Schools	157
Parks, Greenways and Recreation Facilities	157
Libraries	157
Police, Fire and Post Offices	158
