

Transportation Action Plan (TAP) 5 Year Update

Planning Commission
January 9, 2017

What is the Transportation Action Plan?

- 25 year plan, updated every 5 years
- Goals, objectives and policies
- Programs and projects

Charlotte is growing...rapidly

CHARLOTTE IS THE
2ND FASTEST
GROWING LARGE CITY
IN THE COUNTRY

44 people move to
Charlotte every day!

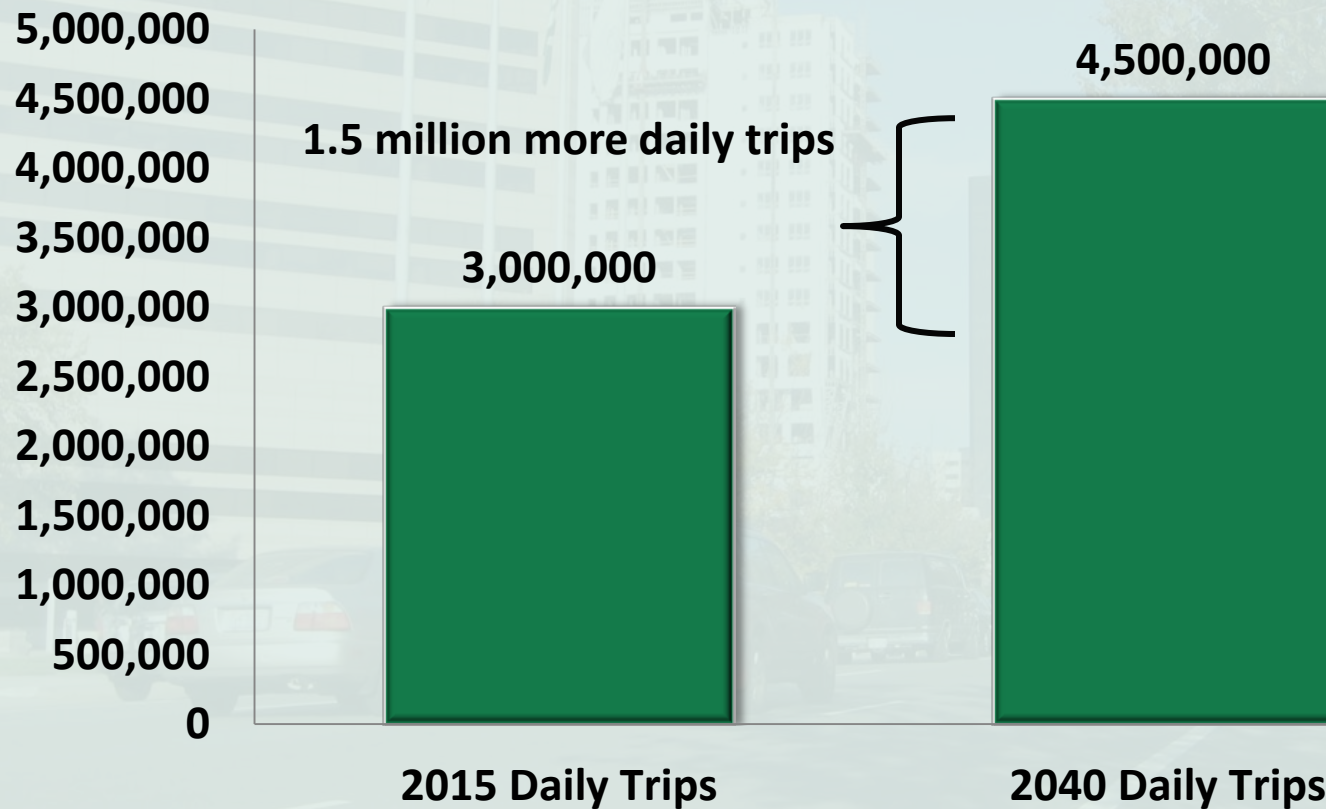

CITY OF OCA

CITY OF NEW ORLEANS

That is why it is time to update the TAP...

More people means more trips...

A person is riding a bicycle on a paved path that curves through a grassy area. In the background, a city skyline is visible under a bright, hazy sky. The scene is framed by tree branches in the foreground. A semi-transparent green box is overlaid on the image, containing text and a list of survey results.

According to the 2016 Transportation Survey...

- 59% think it is difficult to drive
- 61% would like to take transit more
- 50% would like to bike more
- 75% would like to walk more
- 86% think streets should be designed for all users

What will the TAP do?

- Increase access to employment, education, parks, shopping, and other destinations
- Enhance quality of life and promote economic development
- Provide a safe, balanced and efficient system
- Increase transportation choices for all users
- Support the City's land use vision

Why is the TAP important?

- Charlotte has a lot of work to do:
 - Safety
 - Operations
 - Maintenance
 - Infrastructure

What are some of the new themes of the 2016 TAP?

- Plan and design for the “8 – 80” City
- Emphasize safety (Vision Zero)
- Establish mode share goals
- Regulate public ROW as public space
- Refer to latest NACTO design guidance

What will a fully funded TAP accomplish?

- 12 year street resurfacing cycle
- Operate 760 existing signals, and add 325 signals
- 100 major roadway projects and 40 multimodal intersections
- 250 miles of new sidewalks
- 250 miles of new bike facilities
- 150 traffic-calming projects

Help accommodate growth & increase transportation choices

**The TAP recommends investing
\$3 billion in streets & intersections**

How will the TAP be funded?

- ✓ Powell Bill
- ✓ State/Federal: Strategic Transportation Investments (STI)
- ✓ Approved Transportation Bonds
- ✓ Future Transportation Bonds

The TAP calls for \$5.1B in transportation investments by 2040

An aerial photograph of a city, likely Atlanta, Georgia, showing a mix of urban development and green spaces. In the background, several tall skyscrapers are visible against a clear sky. The foreground features a large, modern building complex, possibly a hospital or university campus, surrounded by parking lots and trees. A semi-transparent green rectangular box is overlaid on the center of the image, containing white text and a table.

Tentative Review & Adoption Process

Jan 23rd:	City Council hear Public Comments
Feb 13th:	T&P Committee Recommendation
Feb 27th:	City Council Action

Questions?
