

Café L'Adduse

Elizabeth

FIRST COURSE

To build the ground for our future, what do we want to conserve and what needs to change?

SECOND COURSE

Think about walking through your favorite community centers, facilities and public spaces. What makes those successful and what can we learn from those and apply to Elizabeth?

THIRD COURSE

What will it take to bring Elizabeth to the ideal?

LAGNIAPPE

How can we balance the need for design with the desire for emergence?

AGENDA

Meeting Purpose: Use the World Café Model to discuss land use/intensity of uses

Meeting Outcome: Shared discussion of land use/intensity of uses for Elizabeth

First Course 20 minutes

To build the ground for our future, what do we want to conserve and what needs to change?

Second Course 20 minutes

Think about walking through your favorite community centers, facilities and public spaces. What makes those successful and what can we learn from those and apply to Elizabeth?

Third Course 20 minutes

What will it take to bring Elizabeth to the ideal?

Lagniappe

How can we balance the need for design with the desire for emergence?

Whole Group Discussion

Groups share discoveries and insights, patterns are identified, collective knowledge grows and possibilities for action emerge.

Review the Area Plan Process and where we are now
