This petition seeks to rezone from R-3 to INST(CD) to allow development of a child care center for up to 120 children. The existing 1,257 square foot building will remain with a proposed 5,895 square feet of phased additions.

**Zoning Committee Discussion/Rationale**

Mr. MacVean clarified that 58 children will be added in Phase I of the proposed development and specified the maximum number of children as 120. He explained that the existing building will be utilized and building additions will be added in phases. Mr. MacVean noted that a left turn lane would be provided on Beatties Ford Road if more than 120 children were proposed. However, the petitioner has agreed to limit the number of children to a maximum of 120.

A motion was made by Cooksey and seconded by Ratcliffe finding this petition to be consistent with the Northwest District Plan. The Zoning Committee unanimously approved this motion.
