**Recommendations and Ordinance Requirement Reminders**

Air Quality

Development of this site may require submission of an asbestos Notification of Demolition and renovation due to possible demolition or relocation of an existing structure or renovation of a load-bearing wall in an existing structure. This notification is required in accordance with the Mecklenburg County Air Pollution Control Ordinance (MCAPCO) Regulation 2.1110 - Subparagraph (a) - "National Emission Standards for Hazardous Air Pollutants". A letter of notification and the required forms will be mailed directly to the parcel owner.

Storm Water Services

In order for the Mecklenburg County Water Quality Program to support this rezoning, the following recommendations should be implemented on site plans.

**City of Charlotte Post-Construction Storm Water Ordinance**

The requirements of the post-construction storm water ordinance for the City of Charlotte should be applied to the proposed rezoning. More detailed information regarding ordinance requirements is available at the following website:
