General Notes:

1. **General Provisions:**

a. These Development Standards form a part of the Rezoning Plan associated with the Rezoning Petition filed by Russell Ranson to accommodate development of a for sale townhome community on an approximately 3.70 acre site located at 3786 and 3800 Wendwood Lane

b. Development of the Site will be governed by the Rezoning Plan as well as the applicable provisions of the City of Charlotte Zoning Ordinance (the "Ordinance"). Unless the Rezoning Plan establishes more stringent standards, the regulations established under the Ordinance for the UR-2 zoning district classification shall govern development taking place on the Site.

c. The schematic depictions of the uses, parking areas, sidewalks, structures and buildings, and other site elements set forth on the Rezoning Plan should be reviewed in conjunction with the provisions of these Development Standards. The ultimate layout, locations and sizes of the development and site elements depicted on the Rezoning Plan as well as any schematic building elevations are graphic representations of the development and site elements proposed, and they may be altered or modified in accordance with the setback, yard and buffer requirements set forth on this Rezoning Plan and the Development Standards, provided, however, any such alterations and modifications shall not materially change the overall design intent depicted on the Rezoning Plan. Changes to the Rezoning Plan not permitted by the Rezoning Plan will be reviewed and approved as allowed by Section 6.207 of the Ordinance

d. Notwithstanding the number of buildings shown on the Rezoning Plan, the total number of principal buildings to be developed on the Site shall not exceed 19. Accessory buildings and structures located on the Site shall not be considered in any limitation on the number of buildings on the Site.

2. Permitted Uses & Development Area Limitation:

a. The Site may be developed with up to 63 attached dwelling units together with accessory uses allowed in the UR-2 zoning district. The proposed units will be for sale. Non-residential uses will not be allowed.

b. Surface parking areas will not be allowed between Wendwood Lane and the buildings that abut Wendwood

3. Access Notes:

a. Access to the Site will be from Wendwood Lane as generally depicted on the Rezoning Plan. Vehicular access to the Site from Randolph Road will not be

b. The Petitioner will dedicate in fee-simple to the City of Charlotte up to 50 feet of right-of-way from the center line of Randolph Road. This right-of-way dedication will occur prior to the issuance of the first certificate of occupancy for the first building completed on the Site.

c. The placement and configuration of the vehicular access point is subject to any minor modifications, as approved by CDOT, required to accommodate final site development and construction plans and to any adjustments required for approval by the CDOT in accordance with applicable published standards.

d. The alignment of the internal vehicular circulation and driveways may be modified by the Petitioner to accommodate changes in traffic patterns, parking layouts and any adjustments required for approval by CDOT in accordance with published standards.

4. Architectural Standards:

a. The building materials used on the principle buildings constructed on Site will be a combination of portions of the following: brick, stone, precast stone, precast concrete, synthetic stone, cementatious siding (such as hardi-plank), stucco, and/or wood. At least 35% of the exterior of each building, exclusive of windows, doors and roofs, will be constructed of brick, stone, synthetic stone, or precast stone. Vinyl as a building material may only be used on windows and soffits.

b. The buildings located along Wendwood Lane will be designed so that the building elevations that face Wendwood Lane are the "front" elevation of the buildings and units.

c. Meter banks will be will be screened.

d. HVAC and related mechanical equipment will be screened from public view at grade.

e. Dumpster areas and recycling areas will be enclosed by a solid wall with one side being a decorative gate. The wall used to enclose the dumpster will be architecturally compatible with the building materials and colors used on the buildings.

Streetscape, and Landscaping:

a. Along Wendwood Lane a 14 foot setback measured from the back of curb will be provided. Along Randolph Road the Petitioner will provide a 50 foot building and parking setback as measured from the right-of-way of Randolph Road. Side and rear yards will be provided as required by the Ordinance.

b. The Petitioner will provide an eight (8) foot planting strip and a six (6) foot sidewalk along the Site's frontage on Wendwood Lane as generally depicted on the Rezoning Plan.

c. Along the Site's internal parking areas, the Petitioner will provide a sidewalk and cross-walk network that links the buildings on the Site with one another and links the buildings to the sidewalk along Wendwood Lane. The minimum width for this internal sidewalk will be five (5) feet. Due to the topography on the Site a sidewalk connection to Randolph Road will not be

d. Screening requirements of the Ordinance will be

Above ground backflow preventers will be screened from public view and will be located outside of the required setbacks.
