Comments: commercial property, code for nonresidential collection service is below.

Sec. 10-102. Nonresidential collection service.

(a)

Except as provided in [section 10-103](#), nonresidential (business trash) collection service shall be limited to nonresidential units generating a maximum of 512 gallons per week using no more than eight approved containers. No single container may weigh more than 75 pounds or exceed 100 gallons in volume when full. Designated representatives of the solid waste services key business unit shall have the authority to determine whether a unit is generating more than the maximum capacity per collection and if so, such units shall be denied city service. The city shall not be responsible for and shall not provide any collection service to nonresidential units generating more than 512 gallons of solid waste per week. The occupant and/or owner of the premises shall be responsible for collecting, removing and properly disposing of all solid waste from those premises.
