REQUEST FOR RELEASE OF FUNDS

On or about June 3, 2026, the City of Charlotte, Housing and Neighborhood Services will authorize DreamKey Partners, Inc. to submit a request to the HUD / Greensboro NC Field Office for the release of Community Planning and Development (CPD) funds, to undertake a project known as Newell Infrastructure.

Long Creek Commons will be a 48 unit new construction senior development located in Huntersville, NC. We have a purchase and sale agreement for the 9.85 acre site and we will purchase the land prior to the start of construction. The quiet setting will include twenty-four (24) 1 bedroom/1 bath units and twenty-four (24) 2 bedroom/ 1 bath units. The units will be targeted to residents at 30%, 50%, 60%, and 70% AMI. The existing vacant single-family home and shed on the property will be demolished. The construction site work will include clearing, grading, earthwork, site utility/site lighting installation, and paving/surfacing along with the installation of curb and gutter. The single-phase all-inclusive three story building will be approximately 56,160 sq ft and include one elevator. There will be a covered drop off area at the front entry as well as an inviting front screened porch which residents will enjoy. The on-site amenities include an exercise room, community room, computer room, library, game/craft/tv rooms, and tenant storage areas. A courtyard with a gazebo and picnic shelter will give residents an opportunity to gather together. At the time of the assessment, the Subject Property consisted primarily of partially wooded land as well as a house and shed which will be demolished. The Subject Property is seeking new construction.

The total cost of the project is estimated at \$16,878,636.00. This includes HUD / Federal funds for \$800,000, and non-federal sources totaling \$16,078,636.00.
