## Summary of the Community Meeting

3133 COCHRANE DR

A Community meeting was held for the rezoning of **Address:** 3133 COCHRANE DR **Record Number:** [RZP-2025-141](#). I will attach the mailing list of every individual and organization to whom a certified mail was sent through the USPS on April 03.2026. An email was sent to Councilman Malcolm Graham, about the community meeting on April 24, 2026.

Meeting was scheduled for April 24, 2026, at 6:30 PM EST. This was a virtual meeting.

I invited the local city councilmen the Hon Malcom Graham. I emailed him at his office email address and got an acknowledgement from his office.

I shared a detailed proposal of what we plan to use the land for and how we intend to meet not only environmentally friendly requirements but also good neighborhood standards.

We included a interactive chat for all questions and answered questions. The chat remains open throughout the meeting for subjections. A section was available for anyone needing a hard copy for the meeting. We also include a subjection period, just in case anyone prefers an in-person meeting. After presentation of what we open the floor to any questions or concern, and all were addressed during the meeting.
