Moore & VanAllen is assisting Crosland Southeast (the “Petitioner”) on a recently filed request to rezone an approximately ±39.41-acre site located along Wilkinson Boulevard and Little Rock Road northeast of the Charlotte Douglas International Airport in Charlotte, North Carolina (the “Site”) from RAC to CG(CD) and CAC-1(CD). The request is to allow the site to be developed with uses allowed in the CG(CD) and CAC-1(CD) zoning district to support convenience-oriented commercial services catering to travelers and employees near the airport corridor.

The Petitioner will hold an additional follow-up **Virtual Community Meeting** to discuss this rezoning proposal with nearby property owners and organizations. The Charlotte-Mecklenburg Planning, Design and Development Department’s records indicate that you are either a representative of a registered neighborhood organization or an owner of property near the Site.

Accordingly, we extend an invitation to participate in the upcoming Virtual Community Meeting to be held on Wednesday, July 22, 2026, at 6:00 p.m.

Please send an email by July 21st to CommunityMeeting@mvalaw.com to receive a secure virtual meeting link and reference Petition #2026-027.
