**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the goals and policies of the *South Middle Community Area Plan*.

Rationale for Recommendation

- The petition would facilitate development of a vacant site near Arrowood Road and Interstate 485 with commercial uses while prohibiting many of the more noxious uses permitted in the CG zoning district.
- The site is surrounded by commercial uses including restaurants, hotels, and drive-through establishments. The proposed zoning would permit similar uses.
- The petition would allow the site to be developed under UDO standards as opposed to legacy conditional zoning that dates to 1996.
