<p><b>Deferral (to October) Or Decision</b></p> <p><b>Protest Sufficient</b></p>	<p>2. <u><b>Petition No. 2011-068</b></u> by <b>Morehead Property Investments, LLC</b> for a change in zoning for approximately 1.50 acres located on East Morehead Street between Kenilworth Avenue and Monticello Trail from O-2 to MUDD(CD).</p> <p>The Zoning Committee voted 6-1 to <b>DEFER</b> this petition to the October 3, 2012 Zoning Committee meeting at the request of the petitioner. The petitioner has been able to resolve issues more quickly than anticipated and would like to move forward with a Council decision. Although this is a protested petition, the applicant is requesting a decision on June 18, 2012.</p> <p>The following changes have been made to the petition since the public hearing:</p> <ol style="list-style-type: none"> <li>1. Addressed CDOT's comments by adding language Development Note 1c. under "General Provisions" stating that the 40' of right-of-way to be dedicated along East Morehead Street will be extended to the back of the sidewalk to include the full width of the sidewalk width should the sidewalk width go beyond the 40' indicated.</li> <li>2. Development Note 3c. has been eliminated.</li> <li>3. Development Note 3d. under "Setbacks, Side Yards, Rear Yards" has been revised to eliminate reference to the rear elevation and to include the word "residential" when referring to the "primary building".</li> <li>4. The petitioner has modified Development Notes 3e. and 3f. under "Setbacks, Side Yards, Rear Yards" by removing the reference to the rear elevation.</li> <li>5. Development Note 5e. under "Transportation/Parking" has been revised to clarify that any portion of the parking structure above grade and less than 5' from any property line will be a solid wall with an architectural finish.</li> <li>6. The site plan now shows a possible driveway connection at the rear of the property for through-block connectivity to Harding Place, and new Development Note 6d. under "Access and Circulation" states the petitioner's intent to coordinate its design and construction with CDOT and adjacent property development and developers.</li> <li>7. New Development Note 7d. under "Stormwater/Erosion Control" states that the petitioner will meet all city/county/state erosion control regulations and endeavor to eliminate any erosion related impact to adjacent properties.</li> <li>8. The petitioner has modified Development Note 8b. under "Screening and Tree Ordinance" by adding language relating commitment to the preservation of the trees along the street of the development property as well as any trees on adjacent properties that may be adversely affected by the construction of this development, as determined by the arborist.</li> <li>9. Development Notes 8e. thru 8f. under "Screening and Tree Ordinance" have been modified to refer to a primary residential building face, and to remove references to the rear elevation.</li> <li>10. Amended Parking information under "Rezoning Summary" by removing reference to 1.5 unit per 1 bedroom, and adding statement that parking will be provided to meet current ordinance, with current revisions made to meet the recently adopted <i>Midtown Morehead Cherry Area Plan</i>.</li> <li>11. Removed Note 1e. under "General Provisions" that stated a minimum of 65% of the units will be one-bedroom.</li> <li>12. Amended Note 3a. to state the setbacks will be increased to above current MUDD zoning requirements to be consistent with the <i>Midtown Morehead Cherry Area Plan</i>. New language states that 10' side yard and 10' rear yard proposed at residential levels above parking levels will not be at parking garage levels.</li> <li>13. Revised Note 3b. to indicate that the minimum 10' side yard will not be at the parking garage levels.</li> <li>14. Revised Note 4a. to state intent to limit building height below current allowed MUDD zoning requirements for consistency with the <i>Midtown Morehead Cherry Plan</i>.</li> <li>15. Modified Note 4b. to state proposed height as defined in the zoning ordinance will be limited to 85'.</li> <li>16. Amended Note 4c. by eliminating reference to detail 3 sheet RZ 2.00.</li> <li>17. Amended Note 5a. by removing reference to 1.5 spaces per unit or 1 space per bedroom, and adding language stating that parking will be provided to meet the current ordinance.</li> <li>18. Removed Note 5f. that stated all overflow parking will occur on premises.</li> </ol>

9. **Petition No. 2012-038 by Charlotte Pipe & Foundry Company** for a change in zoning for approximately 17.91 acres located on the south side of West Morehead Street near the intersection of Interstate 77 and Interstate 277 from MUDD to MUDD-O and I-2(CD).

The MUDD-O portion of this petition is found to be consistent while the I-2(CD) portion of this petition is inconsistent with the West Morehead Corridor Vision and Concept Plan but reasonable and in the public interest, by a unanimous vote of the Zoning Committee. The Committee voted unanimously to recommend **APPROVAL** of this petition with the following modifications:

1. Indicated a 30-foot Class "B" buffer between Parcel A within Tract II and the abutting existing MUDD zoned office building on Sheet RZ-1. Also eliminated the last paragraph within Note 5(b) regarding this required buffer.
2. Revised 3rd paragraph under Note 3 (b) to indicate that all uses permitted in the I-1 district that are also permitted in the I-2 district are allowed.
3. Eliminated Notes 5(a)(i) and 5(a)(ii) regarding streetscape improvements along West Morehead Street. Replaced the notes with a new note 4(c) which indicates that the petitioner agrees to enter into a public/private joint venture agreement with the City for streetscape improvements along West Morehead Street. The petitioner agrees to design and install an eight-foot planting strip and eight-foot sidewalk along West Morehead Street except a 10-foot sidewalk will be provided between South Clarkson Street and South Cedar Street. The petitioner will also dedicate and convey the necessary right-of-way for the streetscape improvement and purchase and install the required street trees. The City will reimburse the petitioner for cost associated with the sidewalk relocation and construction.
4. Added the following sentence to the second paragraph within Note 5(b): "If Parcel D is used for off-site parking, the screening requirements established under the Ordinance will be satisfied".
5. Eliminated Notes 5(c)(i) and 5(c)(ii) regarding street improvements along West Morehead Street and reference the modified streetscape improvement note for West Morehead Street.
6. Modified Note 4(d) to read "If a building permit is issued for the construction of an occupiable building on any part of a Parcel within either Tract I or Tract II which abuts South Cedar Street, the Petitioner agrees at its expense to cause the entire portion of South Cedar Street beginning at West Morehead Street and running through Tract II and Tract III to Post Street to be transformed to a Local Industrial Street Section which is compliant with the Urban Street Design Guidelines prior to the issuance of the first Certificate of Occupancy for any occupiable building on any part of a Parcel within either Tract I or Tract II which abuts South Cedar Street. See Cross-Section "B-2" on Sheet RZ-2 for specifications".
7. Modified Note 4(e) to read "If a building permit is issued for the construction of an occupiable building on any part of a Parcel within either Tract I or Tract II which abuts South Clarkson Street, the Petitioner agrees at its expense to cause the entire portion of South Clarkson Street beginning at West Morehead Street and running through Tract II to Post Street to be transformed to a Local Industrial Street Section which is compliant with the Urban Street Design Guidelines prior to the issuance of the first Certificate of Occupancy for any occupiable building on a Parcel within either Tract I or Tract II which abuts South Clarkson Street. See Cross-Section "B-2" on Sheet RZ-2 for specifications".
8. Modified Note 8 to commit to a maximum sign face area of 100 square feet and maximum signage height of seven feet.
9. Provided building material standards for the building facades of future buildings to be constructed within Tracts II and III that face South Clarkson Street, South Cedar Street, and Tract I.
10. Addressed Transportation comments by indicating a 10-foot wide shared-use path along West Morehead Street between South Clarkson Street and South Cedar Street.
11. Modified the proposed uses within Tract I to allow all uses within the MUDD Zoning District with no development limitations.
12. Eliminated one of the two entry monument signs at the corner of West Morehead Street and South Clarkson Street.

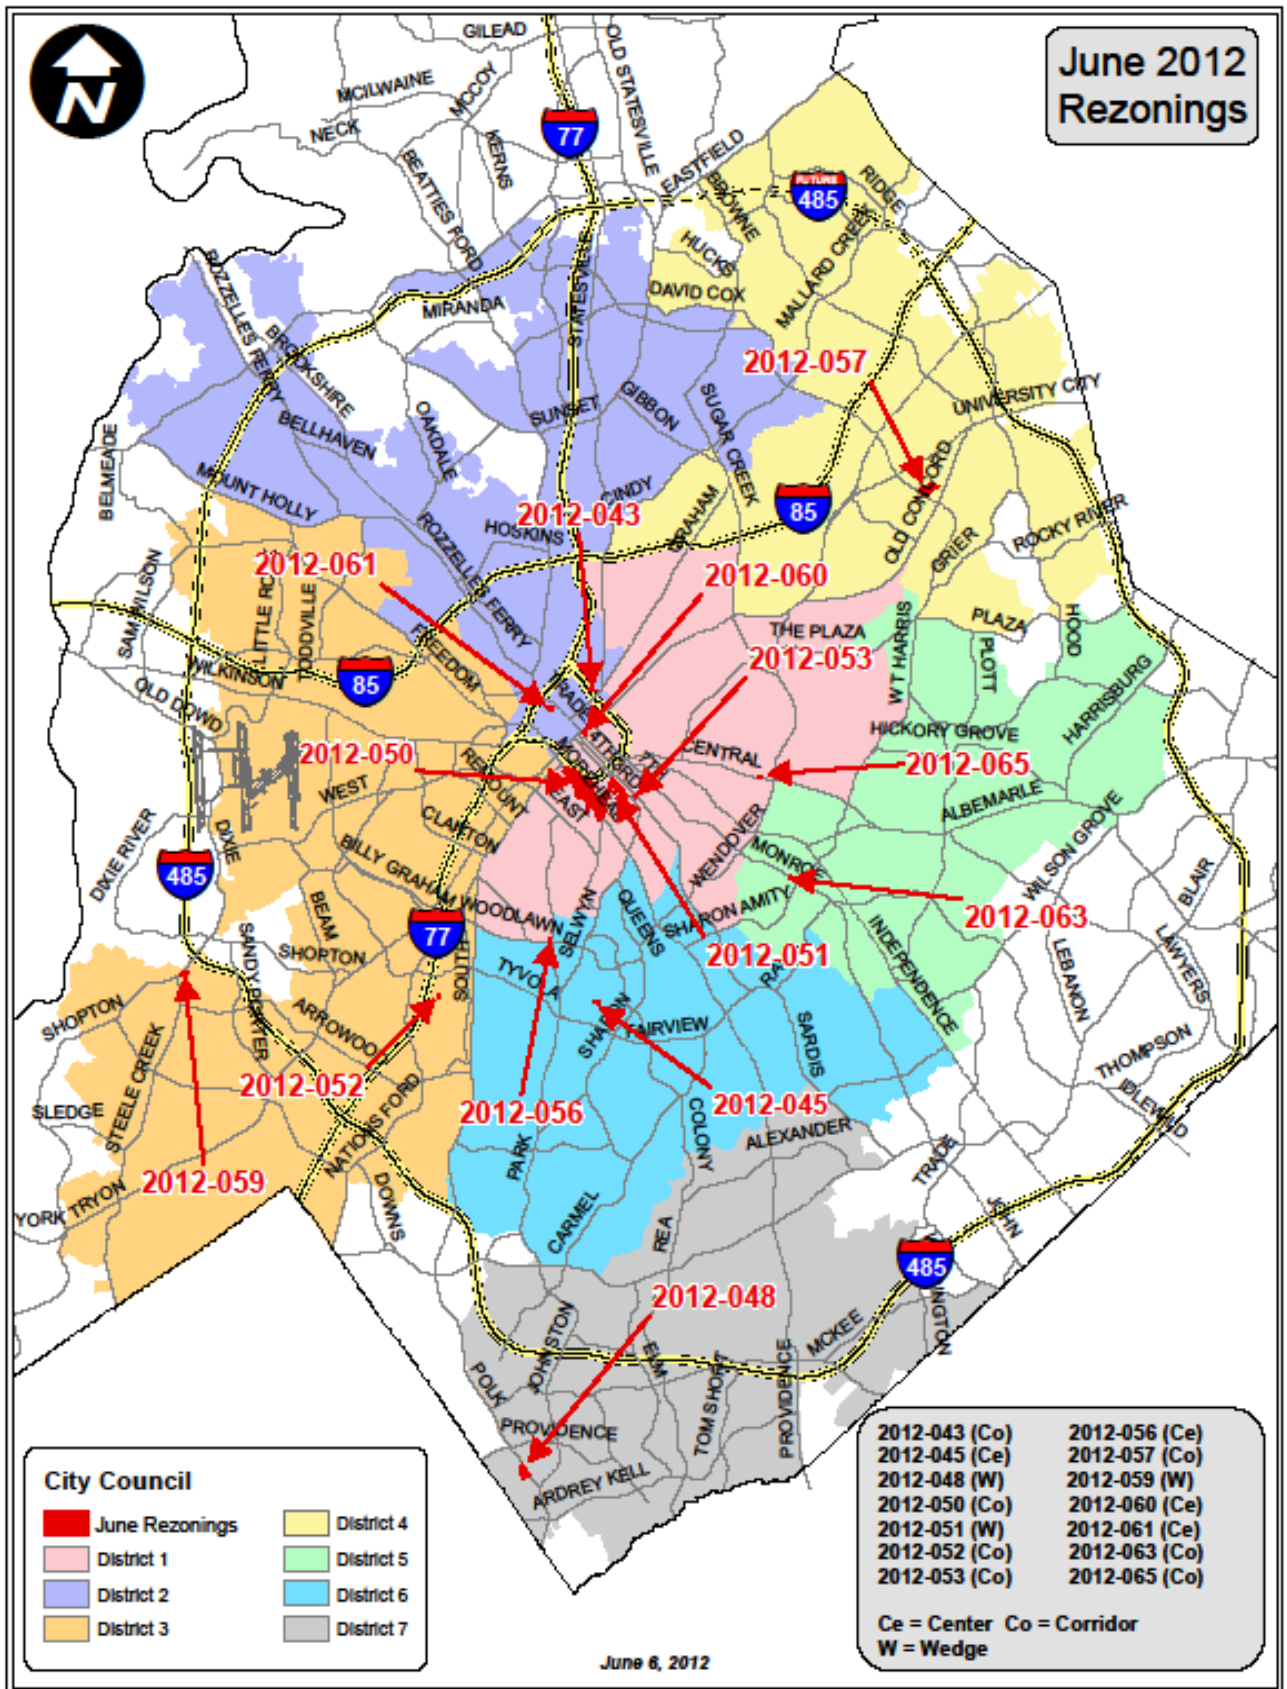

Staff recommends approval of this petition.
