
ADDRESS OF PROPERTY:	501 West Park Avenue	<i>HDC 2012-170</i>
SUMMARY OF REQUEST:	Signage	
OWNERS:	Greater Galilee Baptist Church	
APPLICANT:	Dexter Sneed	

Details of Proposed Request: This church is in the heart of the Wilmore Local Historic District, with the sanctuary in a triangle of West Park Avenue, South Mint Street and Spruce Street. Wilmore Drive is on the back side of the campus. A long process was completed in 2010 to reconfigure the campus and relocate house. It was a successful, cooperative effort of many entities. In the rezoning to there is a note that says the existing signs are exempt from requirements and are to remain in their current location and maintain current size. This proposal is to add to the center of 3 signs an LED panel with changing text. The HDC is on solid footing to review and approve or disapprove the appropriateness of this change per the Zoning Administrator.
