

CHARLOTTE HISTORIC DISTRICT COMMISSION

CERTIFICATE OF APPROPRIATENESS

CERTIFICATE NUMBER: HDCADMRM 2017-00317

DATE: August 23, 2018

ADDRESS OF PROPERTY: 1905 Wood Dale Terr.

TAX PARCEL NUMBER: 11907502

HISTORIC DISTRICT: Wilmore

OWNER/APPLICANT: Laura Pepper

DETAILS OF APPROVED PROJECT: The project is the construction of new porch rails and columns. All materials are wood. See attached plans.

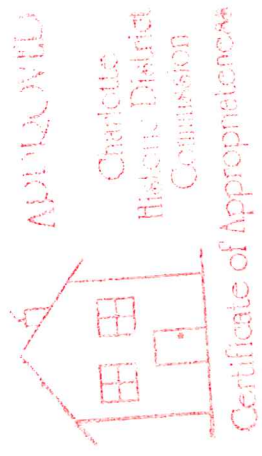

1. Applicable Policy & Design Guidelines and Approval Authority – Projects Eligible for Administrative Approval, page 2.6: Porch rails.

- This Certificate of Appropriateness (COA) indicates that this project proposal has been determined to comply with the standards and policies of the Charlotte Historic District Commission.
- Display the blue COA placard in a visible location along with any required permits.
- No other approvals are to be inferred.
- No demolition other than that specifically indicated on any attached plans is authorized under this approval.
- All work must be completed in accordance with all other applicable state and local codes.
- Any changes from or additions or deletions to the plans referenced herein will void this Certificate, and a new application must be filed with the Historic District Commission.

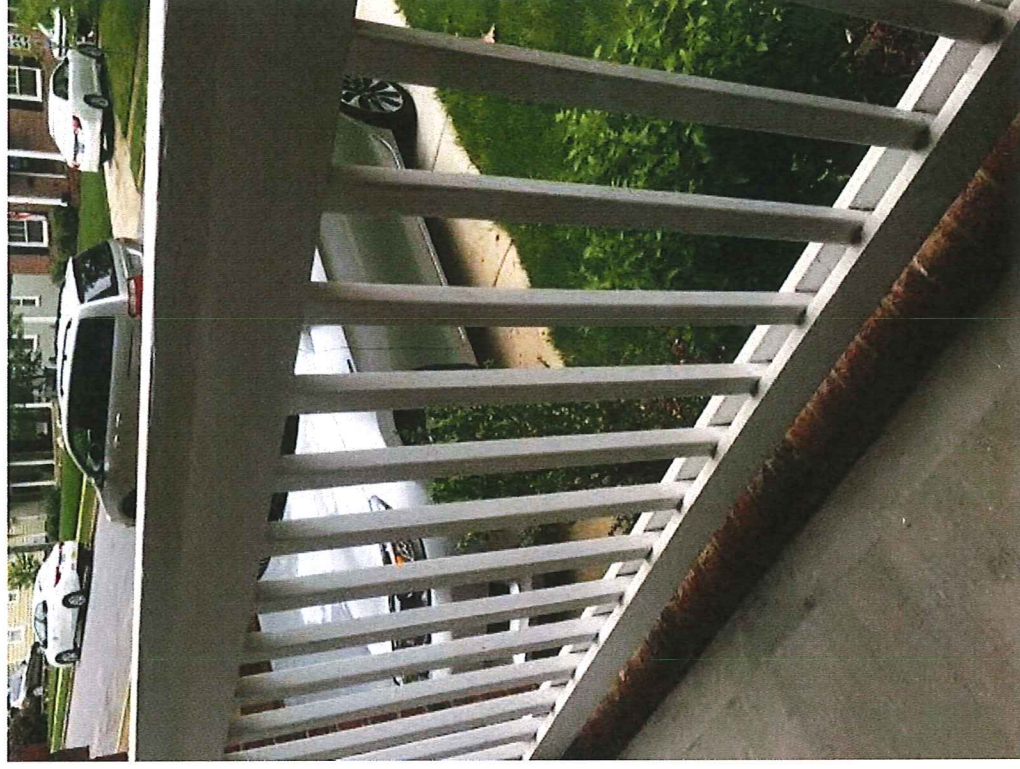

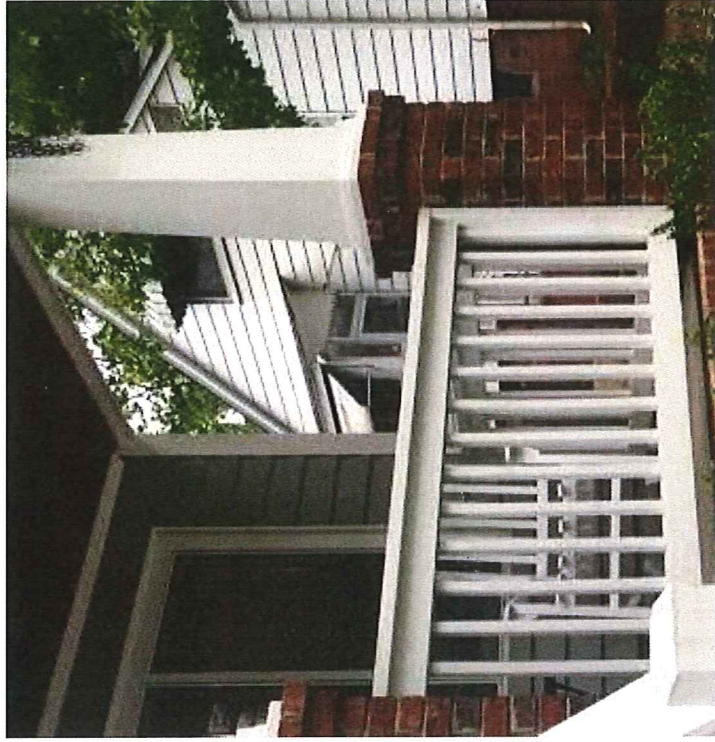

This Certificate is valid for a period of twelve (12) months from the date of issuance. Failure to obtain a building permit in that time will be considered as a failure to comply with the Certificate and the Certificate will become invalid. If a building permit is not required, then the approved work must be completed within twelve (12) months of the date of issuance of this Certificate. In either situation, the Certificate can be renewed for an additional twelve (12) months by Historic District Commission staff by written request within the first twelve (12) months from the date of issuance.

Proposed style of new wooden railings

Proposed changes

Update surrounds on all four existing support beams to mimic this style. New dimensions will be 6"x6" (existing are 4"x4"). These dimensions are more consistent with other porch columns in the neighborhood.

Remove shorter, center posts (which appear to only exist due to the style of the pre-fabricated railings) for a more continuous railing line.
