Wider Sidewalks

Pedestrian and vehicle way finding signs.

Cohesive, identifying, streetscape pedestrian crossings.

Infill development with Greenway orientation

Parallel routes (sometimes driveways to Thoroughfares

Signal timing on Scaleybark and Woodlawn Rd

Place driveways far from intersections

Redevelop gas stations and fast food locations at the Park/Woodlawn intersection into mixed-use developments

Center Ped crossings, organized left, and signed mid-block crossings, for pedestrian and bicycles.

Greenway grade separation at Montford gateway

Ped and vehicle cross access between Montford and ParkTown Center

Multi-modal enhancements, consider roundabouts.

Create inviting walking corridors along Montford

Encourage more shared parking agreements on Montford

Mockingbird signal crossing

New local street connection

Pedestrian crossing across Park Rd to get to Shopping Center

Linked to or oriented towards greenway and Sewyn Terrace
