	me (optional)fine the Draft plan are based on the questions and discussions from prior meetings
	Do the refinements proposed for the area plan capture the <b>design characteristics</b> of the Activity Center we want to establish?
2.	Does the <b>type and form of retail/office/commercial</b> that is now being proposed achieve what we want for the Activity Center?
3.	Are the locations and design features now being proposed for <b>multi-family</b> more appropriate?
4.	Does the <b>type and function of open space</b> now being proposed better reflect what is needed in the Activity Center?
