

MANDATORY REFERRAL-REPORT NO. 15-37
Proposed Sale of Two City-Owned Properties on Idlewild Road Near Cresthill Drive in Charlotte

PROJECT PROPOSAL AND LOCATION:

The two vacant parcels listed below are located along Idlewild Road, near Cresthill Drive. The parcels were acquired in 2012 for the Idlewild Road Widening Project. The City of Charlotte is proposing to market the parcels for sale as they are no longer needed for City use.

#	Parcel ID	Property Address	Zoning	Acreage	Current Use
1	165-101-02	8508 Idlewild Road	R-4	0.41	Vacant
2	165-101-03	8500 Idlewild Road	R-4	0.46	Vacant

These two properties will be marketed individually rather than as a pair.

PROJECT JUSTIFICATION:

The City's Real Estate Division is tasked with selling off any surplus land not needed for current or future programmed use. Therefore, Real Estate proposes to market these parcels for sale. Selling the land will not only generate revenue for the City, it will reduce maintenance costs and liability.

All City-owned properties that have been declared as surplus are advertised at CityProperties.CharlotteNC.gov. Properties valued at more than \$10,000 are subject to the upset bid process as outlined in North Carolina General Statute §160A-269. The Statute outlines that upon receipt of a qualified, initial offer, the offer must be presented to Charlotte City Council and if it is accepted, the offer must be publicly advertised for upset bids. The process of receiving bids and publicly advertising the highest bid continues until there are no subsequent bids submitted and a contract is executed.

CONSISTENCY WITH ADOPTED PUBLIC POLICIES:

Charlotte City Council established the Private and Competition Advisory Commission (PCAC), who created the Asset Management Task Force to help the City oversee the prudent use of City-owned parcels and to seek ways that the City can generate revenue from the sale of any parcels not needed for the operation of the City's core services.

CONSISTENCY WITH ADOPTED LAND USE PLANS:

The *East District Plan* (adopted 1990) recommends single family land uses up to 4 dwelling units per acre. The current zoning is R-4 which is consistent with the adopted future land use.

PROJECT IMPACT:

No impacts are anticipated, other than reducing maintenance responsibility for the City while placing these properties back on the tax roll.

RELATIONSHIP TO OTHER PUBLIC OR PRIVATE PROJECTS:

There are no known relationships to other public or private projects.

ESTIMATED PROJECT COMPLETION DATE:

Market conditions will dictate the schedule of the sale.

JOINT USE TASK FORCE REVIEW COMMENTS:

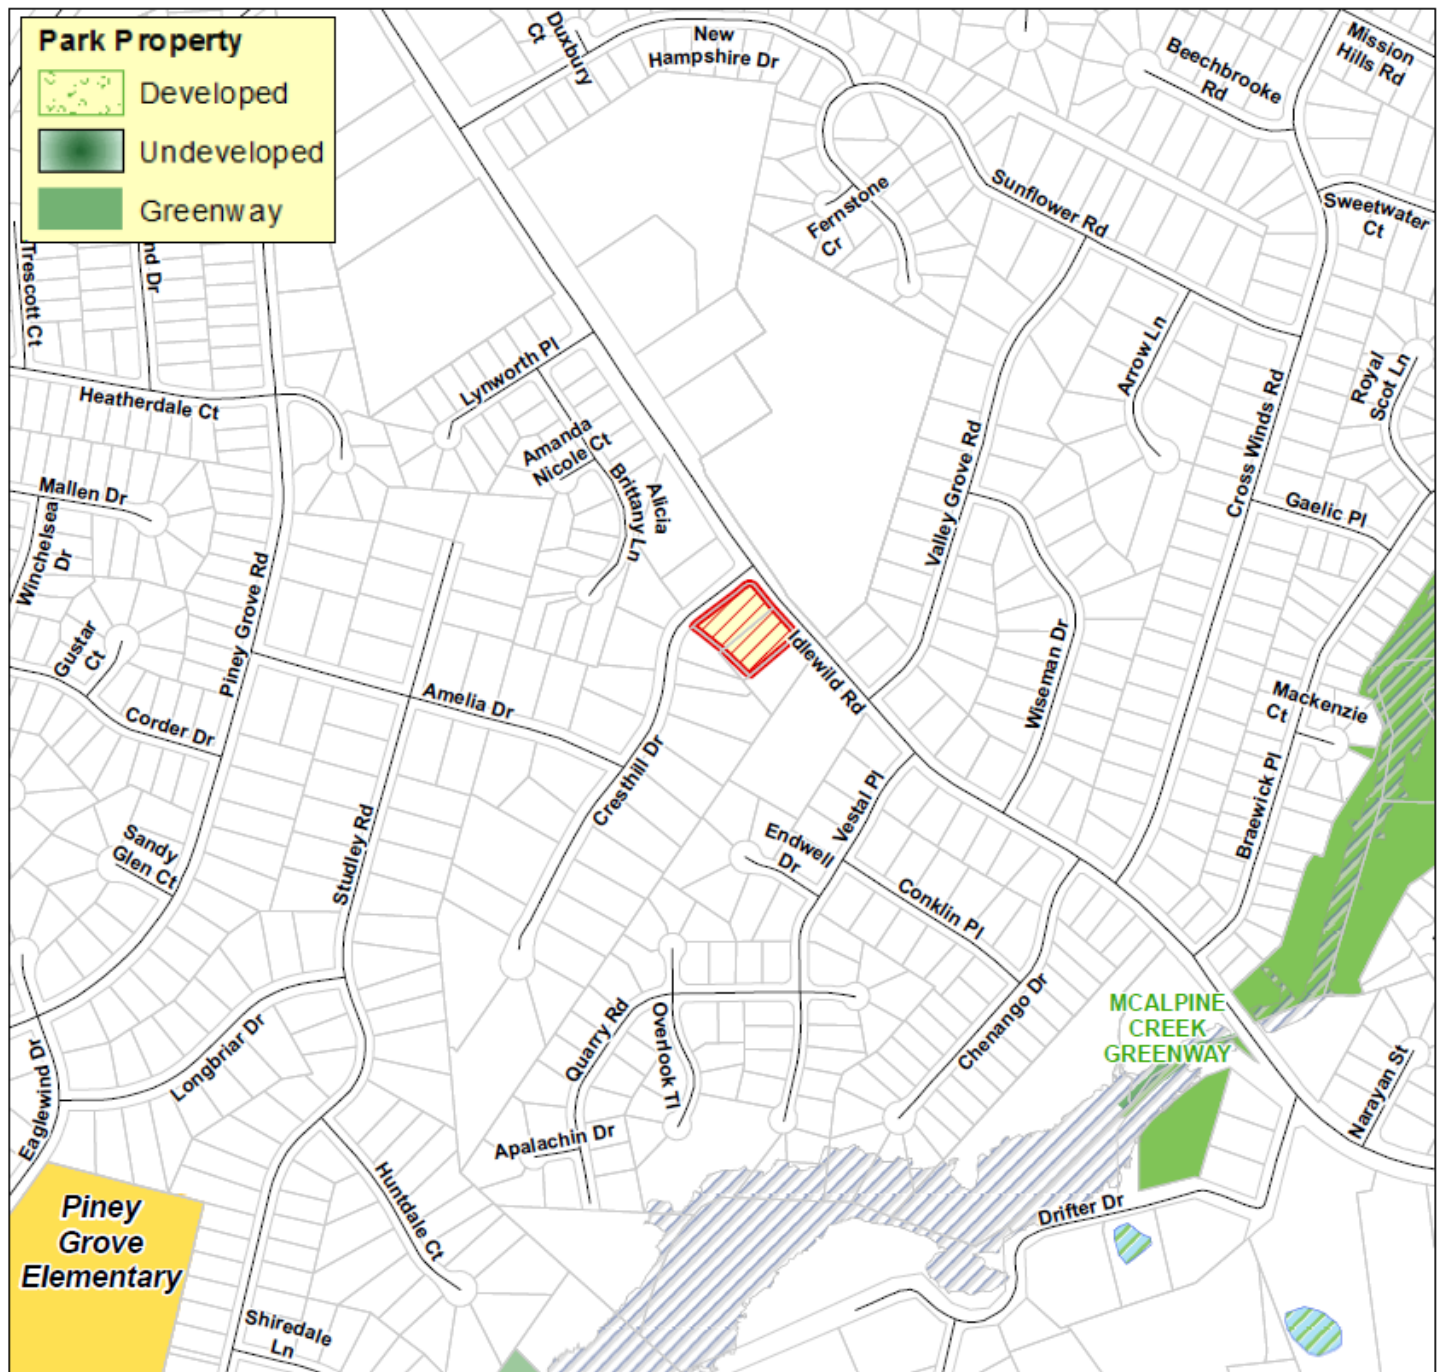

The Joint Use Task Force discussed this matter at their September 2, 2015 meeting and no joint use comments were offered.

PLANNING STAFF RECOMMENDATION:

The proposed sale of the property for residential use is consistent with adopted land use policies. Staff recommends approval of the sale of the land for future residential use.

CMPC PLANNING COMMITTEE RECOMMENDATION:

At their September 15, 2015 meeting the Planning Committee recommended approval by a 5-0 vote.
