Remarks:

CATS acknowledges receipt of the revised site plan. The amended site plan drawings appear to meet CATS rezoning request for the petitioner construct a shelter pad as per CATS Development Standards 60.03A on Tyvola Rd. However the petitioner's accompanying notes 4.7 state: "a transit shelter may be provided for transit users if a scheduled stop occurs along the street adjacent to the site."

CATS is not requesting the developer to provide a shelter. Please amend the language to reflect CATS request for the developer to construct a shelter pad as per CATS Development Standards 60.03 on Tyvola Rd.

Please contact Leonard Ganther (CATS Operations) @ 704.432.1283 to coordinate the final location and construction of the shelter pad.
