### Remarks:

In addition to CATS' previous remarks regarding the current CATS project abutting the petitioner's site, CATS submits the following comments:

CATS requests 20 non-exclusive park and ride spaces for future CATS Park and Ride overflow parking needs. Please depict the same on the site plan and/or accompanying notes.

Please contact Leonard Ganther (CATS Operations) @ 704.432.1283 to coordinate the location of the 20 non-exclusive park and ride spaces designated for future CATS Park and Ride overflow parking needs.

The petitioner should contact David Feltman (CATS Development) @ 704.336.4261 with questions or clarifications regarding the existing CATS Park and Ride upgrade project.
