Reference: Rezoning Petition #2008-017
Subject: Neighborhood Meeting Minutes

Dear Tammie;

As required by the zoning process a Neighborhood Meeting was held this evening from 6:30-7:30 pm. The meeting took place at the Tuckaseegee Road Recreation Center. Only one couple from the neighborhood attended.

Representing the Petitioner were Ken Andrews, petitioners agent, and the Petitioners from Adanac Development.

The following information was made available for review:

- Previously Approved Plan
- Proposed Plan

After a brief presentation on the proposed changes to the project the only questions asked was about the recent surveying activity on the Medical property adjacent to their home. I informed them that this was not part of our work but would try to find out who was responsible since the Pastor and staff at Durham Memorial Baptist had asked the same question. I asked them to call with the surveyors name and they replied they would.

No other questions/concerns were brought forward.

Meeting was adjourned

Should you need any additional information, please feel free to contact me.

Sincerely;
