Comments:

8-inch water main on Endhaven Lane.

8-inch gravity sewer main located roughly to the Southwest of parcel, roughly 800 feet away. 8-inch gravity sewer main located roughly 800 feet away on Misty Ridge Lane.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. It does not imply available capacity in lines, pump stations, or treatment facilities.
