Rezoning Petition 2016-100

Mecklenburg County Storm Water Services is considering a Capital Improvement Project along Walker's Branch which would involve stream restoration practices. Mecklenburg County requests that a 50 foot easement (from top of bank) be provided on parcel 219-06-117 to facilitate the construction and maintenance associated with this project. If you have any questions regarding this request, please feel free to contact me or any of the following staff members: Robert Billings - 980-314-3231, David Kroening – 980-314-3216.

Thank you.
