**COMMUNITY MEETING**

Meeting is not required.

**STAFF  
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is inconsistent with the *Northlake Area Plan* recommendation for retail land use, as amended by a conditional rezoning.

Rationale for Recommendation

- The site was rezoned for a hotel use that was never built, changing the proposed land use to retail from light industrial.
- The *Northlake Area Plan*, prior to the rezoning that amended the plan, recommended a mix of office, retail and industrial uses for this site and surrounding area.
- The site is adjacent to the interchange of Interstate 77 and 485, and is surrounded by industrially zoned property.

The approval of this petition will revise the adopted future land use as specified by the *Northlake Area Plan*, from retail use to industrial/warehouse/distribution uses for the site.

**PLANNING STAFF REVIEW**

- **Proposed Request Details**

This is a conventional rezoning petition, which applies all the standards, regulations, and uses in the I-1 zoning district.

- **Existing Zoning and Land Use**

- The subject property is zoned B-D(CD) (distributive business, conditional) and is undeveloped.
- Surrounding land uses are undeveloped or developed with warehousing uses.

The property to the east along Twin Lakes Parkway is developed with a warehouse use.

The property is bordered to the west by Interstate 77.

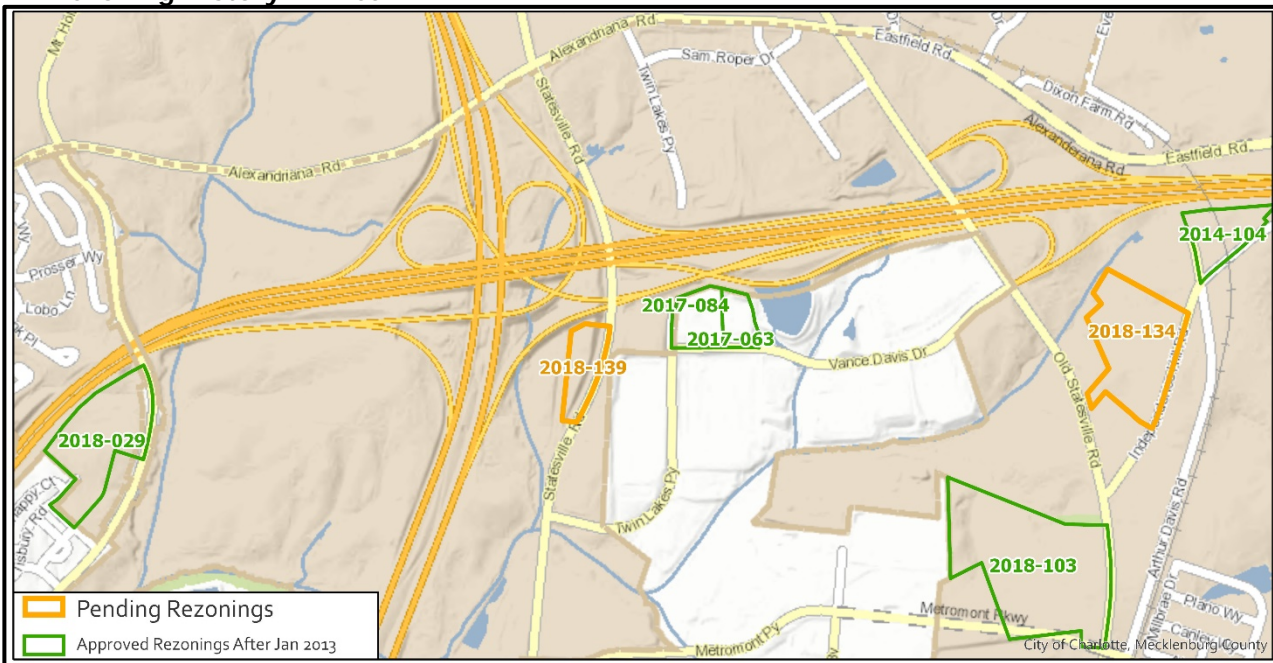

The property is bordered to the north by Interstate 485

The property to the south along Statesville Road is undeveloped.

- **Public Plans and Policies**

- The *Northlake Area Plan* (2008) recommends retail uses, as a result of rezoning petition 2008-128.
  - The land use recommendation for the area surrounding this site is for a mix of uses that includes office, retail, and industrial-warehouse-distribution, as per the *Northlake Area Plan* (2008).
- **TRANSPORTATION CONSIDERATIONS**
- The site is located on a major thoroughfare, Statesville Road, which is planned to be widened by the North Carolina Department of Transportation (NCDOT) in the next decade. CATS bus route #99 travels along Statesville Road, with bus stops approximately 1/3 mile south of the subject property. The site's frontage currently lacks curb, gutter, and sidewalk. During permitting, CDOT will work the petitioner and NCDOT to determine required streetscape improvements
  - **Vehicle Trip Generation:**  
Current Zoning:  
Existing Use: 0 trips per day (based on vacant land).  
Entitlement: 970 trips per day (based on 119 hotel rooms).  
Proposed Zoning: 10 trips per day (based on warehouse use).
