RE: Rezoning Petition #2019-123 – Magnus Capital Partners

This is the first communication concerning this petition. We encourage staff and the Planning Commission to consider Mecklenburg County Park and Recreation Department's (MCPR) comments. We suggest that these comments be incorporated into the staff review notes and written into the Pre-Hearing Staff Analysis to the fullest extent possible.

This parcel is located on the Irwin Creek Greenway Corridor per the MCPR 2008 Greenway Master Plan. It is unclear what the cross-hatched existing easement called out on the site plan is/will be used for. We would request the 100' SWIM Buffer be dedicated and conveyed to Mecklenburg County for future greenway use unless the existing easement will allow such use.
