public should have the opportunity to learn about these uses, present relative information that may affect the extent or design of the project, to rebut information supplied by the permit applicant, to ask questions, and to present any pertinent evidence regarding the petition and the requirements of this ordinance. - (c) The designated agency shall not render a decision on the proposed use until a minimum of 21 calendar days has elapsed following the date of the forum. The 21-day period may be used by all parties to submit written statements of rebuttal to the designated agency.
