### Remarks:

#### *Third Request:*

CATS acknowledges receipt of the revised site plan and reiterates its request that the petitioner construct a shelter pad as per CATS Development Standards 60.03A. The shelter pad should be located on Fairview Road, approximately 60' farside from the intersection of Fairview Road and Wintercrest Lane; and the petitioner should coordinate with the existing sidewalk project plans on Fairview Rd. Please depict the same on the site plan and/or the accompanying notes.

Please contact Leonard Ganther (CATS Operations) @ 704.432.1283 to coordinate the final location and construction of the shelter pad.
