ELEVATIONS

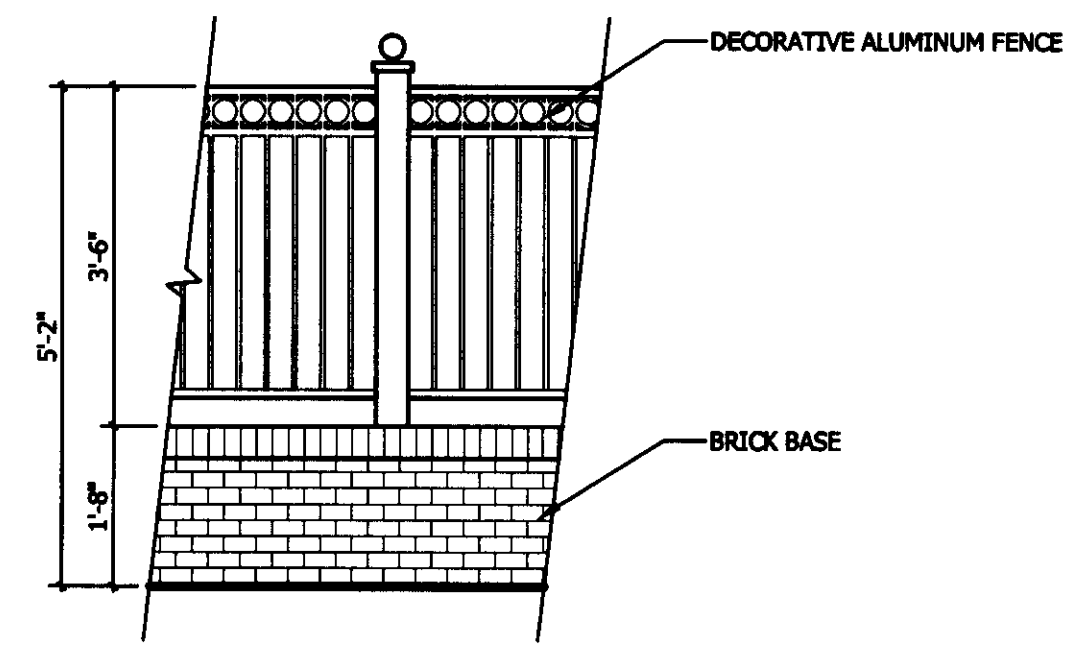

A2.1

A line drawing of a house elevation. The house has a gabled roof with a small dormer window in the center. The main body of the house is rectangular with a single door in the center. The base of the house is indicated as brick, and the upper walls are indicated as stucco. A dashed line extends from the roofline to the left, labeled 'DORMER BEYOND'. Labels with leader lines point to the 'DORMER BEYOND' line, the 'STUCCO' wall, and the 'BRICK BASE'.
