Summary of discussion/issues discussed and changes to the petition as a result of the meeting:

The meeting began with an explanation of the site plan and the overall City of Charlotte rezoning process.

Due to the sparse attendance, the meeting was very brief and very informal. Those in attendance were not opposed to the proposed changes. The following were the highlights of the few questions:

- . Are there any plans by the developer to shift the commercial farther north along Johnston Rd? No
- . Will the change increase traffic? Not anticipated; a traffic study was not required
- . Will the change bring more traffic lights? No
- . Shopping center looks good; will this more of the same? Yes.

Changes or clarifications to the site plan resulted from staff/various departmental comments.
