**DATE:** August 29, 2007

**RE:** Rezoning Petition # 2007-106 (PID #s 069-041-26, 069-041-24, 069-041-23, 069-041-01)

This is the fourth correspondence from MCPR regarding RP# 2007-106. Please reference the previous correspondences dated 7/18/07, 8/3/07 and 8/22/07.

The County is exploring a potential partnership with the petitioner and will not request construction of the greenway. This section of future Stewart Creek Greenway, from W. Trade St. to State St., is in MCPR's 10 year Capital Needs Assessment and is several years from being constructed.

MCPR has the following comments regarding the revised site plan:

- ▶ There are two locations at which there is not enough land dedicated to build greenway and connect to the sidewalks at grade. These are on Parcel 7 at West Trade St. and Parcel 18 at Rozzelle's Ferry Rd. MCPR requests dedication of the 100' S.W.I.M. buffer at both of these locations for greenway construction and connection to the sidewalks at West Trade St. and Rozzelle's Ferry Rd.
- ▶ MCPR will not be responsible for maintenance of the detention basins shown in area of "Proposed Park Donated to County". These basins should be located outside of the area to be dedicated to MCPR.
