Subject: Rezoning Petition 07-135: Located on the west side of South Tryon
Street between West Arrowood Road and
Thornfield Road (revised 09/07)

We previously commented on this petition in our August 29, 2007 memorandum to you. This site could generate approximately 1,030 trips per day as currently zoned. Under the proposed zoning the site could generate approximately 1,050 trips per day. This will have a minor impact on the surrounding thoroughfare system.

We have no remaining transportation issues with this petition.

If we can be of further assistance, please advise.
