Subject: Rezoning Petition 08-022: Located on the northwest corner of Tyvola
Centre Drive and West Tyvola Road
(revised 1/18/08)

We previously commented on this petition in our December 19, 2007 memorandum to you.

It should be noted that as shown on the site plan the gate controlled entrances are not designed correctly. These will be further reviewed during the multi-family subdivision review process.

We have no remaining transportation issues with this petition.

If we can be of further assistance, please advise.
