Date, time and location of meeting: Christ Lutheran Church – Fellowship Hall
4519 Providence Road
Charlotte, North Carolina

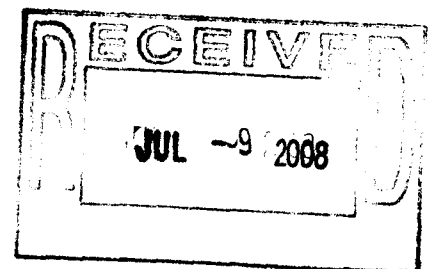

Persons in attendance at meeting: Attendance was taken with two (2) persons signing the Sign-in Sheet (see attached).

David Bigham with Christ Lutheran Church along with Walter Fields and Susan Cannon of Kimley-Horn and Associates attended the meeting on behalf of the Petitioner.

Summary of issues discussed and changes made as a result of the meeting:

As there were only two people in attendance, those persons had the opportunity to talk directly with Mr. Bigham, Mr. Fields and Ms. Cannon. They were given a description of the site and the proposed development and given the opportunity to ask questions and provide suggestions for the project. Comments focused on the preservation of the existing trees on the site as well as the preservation of the buffer between the subject property and the adjoining residential development.

A number of site plan modifications have been made to the site plan as a result of review comments from staff agencies but no changes have been made as a direct result of the community meeting. The petitioner is examining the possibility of several suggestions made at the meeting, including the preservation of trees internal to the site, enhanced pedestrian lighting and the use of the storm water facility as an amenity.
