7:00 p.m.

Date, time and location of meeting: Steele Creek Library – Community Room
13620 Steele Creek Road
Charlotte, North Carolina

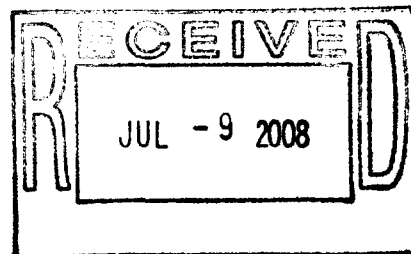

Persons in attendance at meeting: Attendance was taken with three (3) persons signing the Sign-in Sheet (see attached).

Bob Burkett, Tony Rickard and Mushin Muhammad of RWB Properties and the Ruckus House along with Walter Fields and Susan Cannon of Kimley-Horn and Associates attended the meeting on behalf of the Petitioner.

Summary of issues discussed and changes made as a result of the meeting:

As there were only three people in attendance, those persons had the opportunity to talk directly with Mr. Burkett, Mr. Rickard, Mr. Muhammad, Mr. Fields and Ms. Cannon. Much of the discussion centered on the changing Steele Creek area while there was concern regarding the separation of the residential development from the horse farm. Support for the rezoning was also voiced.

A number of site plan modifications have been made to the site plan as a result of review comments from staff agencies but no changes have been made as a direct result of the community meeting. The petitioner has also addressed several of the concerns expressed by adjoining property owners in regards to the separation of the residential units from the horse farm.
