- EXPANSION

DISCUSSION	<p>Explained expansion from 12 children to 30 or 35 children using the whole house as opposed to only the front; Adding parking for employees; Adding more shrubbery; Lot will be 25% evergreen per Mecklenburg County; Will still look like a residential area – will not change the face of the building, mostly inside modifications</p> <p>Will add fencing around the property; Traffic was discussed but considered not a problem since there are already four lanes on Hickory Grove and four speed bumps on Lawrence Orr; Mentioned the absence of neighbors attending this meeting, no real discussion</p>
CONCLUSIONS	<p>Per Ms. Edwards, she would not understand anyone opposing this expansion if they have been in this area for any length of time. Janice White has improved this site since she took it over and approves the expansion.</p>
