RE: Rezoning Petition 2009-003 – Seigle Avenue
Community Meeting Report

Dear Solomon:

We held a Community Meeting to discuss our rezoning petition 2009-003 concerning our property at the Northwest corner of Seigle Avenue and 10th Street at 6pm on June 3, 2009. Per City guidelines we sent letters on May 22, 2009 inviting those on the mailing lists provided by Planning Staff, which included property owners within 300 feet, as well as selected community leaders, to attend this Community Meeting.

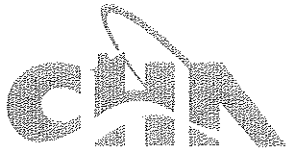

Our meeting was held at the Seigle Point Community Center located at 110 Winding Path Way, immediately adjacent to property being contemplated as a part of the proposed rezoning. A Charlotte Housing Authority representative and two representatives from Cline Design, the proposed architecture firm, were in attendance. The meeting was scheduled to begin at 6pm, however since no community members were in attendance, the representatives waited until 6:30pm to open the meeting. The attendees discussed the proposed rezoning for 30 minutes prior to closing the meeting at 7pm. No community members were in attendance.

Should you have any questions regarding this correspondence, please contact me at (704) 336-5662

Sincerely,

Benjamin L. Collins
