The developer is expected to notify the neighborhood and submit a written request to Neighborhood & Business Services (N&BS) for a waiver. N&BS reviews the request and it is brought before City Council for consideration at one of its Business Meetings. The neighborhood will receive notification of the waiver request at least two weeks prior to the City Council Business Meeting.

### **Definition:**

Assisted Multi-family Housing – Any existing or proposed multi-family rental housing development consisting of five or more residential units receiving assistance from local, state, or federal government and the housing units are restricted to serve households earning 60% or less than area median income.
