

MECKLENBURG COUNTY
Land Use and Environmental Services Agency
Flood Mitigation Program

Memorandum

From: Bill Tingle, Floodplain Administrator
To: Claire Lyte-Graham
Re: Rezoning Petition 2009-050 - Sardis Road near McAlpine Creek
Date: September 9, 2009

This is to verify that the 2nd Revision Site plans for the above referenced project adequately address comments provided to the petitioner on an earlier submittal. The notes and plan view indicating a gravel drive from Sardis Road to the building meet the “Dryland Access” requirement.
