Attachments: Pad Standard 60.01A

I. SUMMARY REMARKS:

FIRST SUBMITTAL

Given the proximity to a proposed transit line and residential uses, CATS requests that Petitioner provide a concrete waiting pad for future use. This pad would be based on pad standard 60.01A, attached hereto. Petitioner should contact Budd Early of CATS staff at 704.432.2557 to discuss the location of the requested pad.

Should you require additional information, please advise.
