

Solid Waste Services Rezoning Petition Notes

2009-068 – Apprise Holdings, LLC

Reviewer: Sarah Poulton

Date: October 22, 2009

Comments:

This site plan does not outline solid waste arrangements either in the map itself or in the notes. Developer must note whether dumpsters or compactors will be used, where they will be located as well as area set aside for recycling stations.

Other issues:

None
