

Community Meeting Report
6:00 pm
October 5, 2009
The Duke Mansion

On Monday, October 5, 2009, we held a community meeting to discuss the rezoning request by The Duke Mansion which is petition number 2009-071.

We presented a powerpoint presentation concerning our request for the rezoning to a small group of neighbors. No questions or issues were raised by the people in attendance. The only comments were positive about the process that we have engaged the neighborhood in.
