

11-61

September 21, 2011

Community meeting report:

The meeting was held at Charlotte Racquet Club North 9300 Browne Rd, and attended by 5 local residents. The meeting was first a report on the new indoor project, and the existing club. That was followed by questions and answers.

The feedback was positive and to some degree excitement over the project. We actually sold a membership.

Thank You,

Robbie Smith

Charlotte North Indoor Tennis

I checked and the invitation to the meeting was sent to both the Neighborhood leaders and Local Residents.
