Summary of issues discussed and changes made to the petition as a result of the meeting:

Walter Fields presented the petition to the meeting. The rezoning process and schedule were explained and a brief history of the Palisades community was discusses. The overall master plan for the Palisades Town Center community was briefly discussed. Then the specific plan for the rezoning was presented and explained including how it integrates into the overall master plan.

There were only a few questions about the details of the site plan. A question was asked about when the development might commence along with a comment that the plan There were questions and some conversation about other development that in the area (elementary school and county park). There were a number of comments about traffic in the area and what the City or State should do to deal with the new traffic from the School. It was suggested that a signal should be installed and the new school entrance. It was pointed out that the site in question is already slated for office development and that the larger traffic questions were not related to this proposal.

No changes in the site plan were made as a sa a result of the Meeting.
